

San Antonio Gay Pool League History Season III

The third (3rd) season for the SAGPL was bigger than ever.

We had 18 team and 2 divisions. Many new teams signed up for this season and we added 2 straight teams and the return of the Bermuda triangle.

It is nice to see so many new faces as we continue to grow. The SAGPL held 3 charity tournaments during the season to help raise money for some fine local charities that contribute greatly to our community.

We renamed our annual charity tournament to the "it's my birthday for charity" and will hold this event twice per year.

We have elected a new bereavement fund to support our league members at the time of a loss for any immediate family member. This fund will donate 250.00 in support of a members loss.
